2. What are some of the common traits (positive or negative) of modern kings, rulers, and those in roles of civic authority?

Read Luke 19:28-40

3. Put yourself in the story. How would you have felt welcoming King Jesus into Jerusalem?
4. How is Jesus' kingdom different than the kingdoms of this world?
5. Caiaphas and the chief priests said, "We have no king but Caesar." In what ways does this confession betray their allegiance to God?
6. What are the problems in assuming the kingdom of God comes only through the politics of human beings?
7. To repent means to "rethink." How have you rethought things in the light of the truth of King Jesus and the kingdom of God?
8. As you prepare for Easter, what is one thing you can do this week to draw near to Jesus in his suffering and death?
