Read John 1:35-39

3. What comes to mind when you imagine Jesus as the Lamb of God?
4. What are the differences between following Jesus and worshipping Jesus? Can you do one without the other?
5. What are the problems with assuming that your initial encounter with Jesus is everything you need for a thriving life of faith?

Read 1 Corinthians 15:1-2

6. When do we need the gospel, when we get started in the faith or when we are continuing the journey?
7. Contrast the differences between “getting saved” as a one-time event and “being saved” as a life-long project?
8. Pastor Brian talked about the need for both a constant and a quest. What is your *constant* in the Christian faith? What is your *quest* in your life of faith?

9. What comes to mind when you consider the Christian life as a walk or a journey?

10. What can you do this week to be intentional to continue your quest to know and be fully known by God?
