2. If Jesus were to come back at the end of the age to lead a mega war in the Middle East, then how would we understand the Sermon on the Mount?
3. How does our theological vision of where this is all headed have a profound influence on everything?

Read Revelation 16:12-16

4. The word “eschatology” means a study of the end, a study of the end times. What do we know as Christians about the end of the age?
5. What are the challenges in interpreting the book of Revelation?
6. What does Armageddon represent in Revelation 16?
7. What has the Lamb done to lead us to the New Jerusalem?
8. As we are looking toward the future, what are we waiting for if we are not waiting on a war?
9. What does it look like to “go marching forth to wage peace”?
